All the neighborhood kids are on their way to Edwina Spoonapple's house. Edwina is the creator and star of the Dear Edwina show, where folk from around the world send letters in hopes of receiving her invaluable advice.

The show begins with a wheelbarrow full of letters, and the cast promises that their marvelous Edwina can answer any problem posed.

Edwina expresses that what really matters is not a prize one can hold but one's family, friends, and aspirations. Lastly, the whole company sings an encore for Grandma and her video camera.

The jungle is jumpin' with jazz in this exciting Disney classic! Join Mowgli, Baloo, King Louie and the gang as they swing their way through madcap adventures and thwart the ferocious tiger, Shere Khan.

Baloo offers Mowgli his philosophy on life, which is quite different from what Bagheera has been teaching. While Baloo is lost in that swingin' jungle rhythm, a group of shifty-looking monkeys tiptoes in and kidnaps Mowgli. Caught off guard, Baloo calls to Bagheera for help, while the monkeys carry Mowgli deep into the jungle, laughing all the way.

Includes your favorite Disney tunes, like "The Bare Necessities," "I Wan'na Be Like You," "Trust in Me," and "Monkey Business."
