ADVENTURES OF A Comic Book Artist

June 1-25 Ages 10-13
Performance June 26

Stanley wants nothing more than to be a comic book artist and create heroes and villains for the comic books he loves so much. As the janitor at Wonder Comics, he anxiously awaits the day that his boss, D.C. Wunderman, will see his drawings and give him the chance to have his superheroes come alive on the printed page. Stanley's heroes come alive, all right! In an effort to revive his faltering company, Wunderman had ordered a set of magical pens guaranteed to bring to life any character drawn.

The Little Mermaid

An adventurous little mermaid and her clam friend leave the undersea realm to find the prince of her dreams, whose statue she has found. The Sea-Witch magically conjures up a storm which sinks a ship carrying the prince. Anemone dives in to save him, but not before she has been tricked into trading her voice to the Sea-Witch. As he recovers from his ordeal, the prince believes Georgina, who discovered him on the rocks, saved him. Meanwhile, the prince has befriended the voiceless Anemone. Patience, love and friendship solve this delightful puzzle.
